

PROFILE

I am a motivated university student pursuing an IT degree with a working knowledge in programming languages and web development technologies. I have experience working with HTML, CSS, JavaScript, React.js, Node.js, Python, Django, Flask, and other frameworks and libraries. I have also worked with Git and GitHub for version control and collaborative software development, ensuring efficient teamwork and streamlined code management. Moreover, I am familiar with cloud computing concepts, such as SaaS, PaaS, IaaS, Hybrid Cloud, and Cloud Native applications, demonstrating an awareness of modern infrastructure and adaptability to emerging technologies.
